| <b>Employee Certifications (all boxes must be checked):</b>                                                                        |                   |
| I certify that the cell phone charges being submitted are for the cost of maintaining a personal cell phone plan for business use. |                   |
| I certify that the bill being submitted for reimbursement is representative of costs incurred for the months shown above.          |                   |
| I will notify the approving authority if the cell phone plan charges being submitted for reimbursement change.                     |                   |
| <b>Employee Name:</b>                                                                                                              | <b>Signature:</b> |

|                                                                                                                                                                                                                                                                                                                     |                                    |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------|
| <b>Approving Authority Certification (all boxes must be checked):</b>                                                                                                                                                                                                                                               |                                    |
| I certify that there are substantial business reasons for requiring the employee to use their personal cell phone plan for work-related purposes.                                                                                                                                                                   |                                    |
| I certify that I have determined the minimum plan and device requirements for this employee for business use, that this reimbursement is for the discounted cost of those services, and it does not exceed the charges paid by the employee for the cost of a cell phone plan attributable to Corporation business. |                                    |
| I certify that this reimbursement is non-compensatory (i.e., not in lieu of pay).                                                                                                                                                                                                                                   |                                    |
| <b>Approving Authority Name:</b>                                                                                                                                                                                                                                                                                    | <b>Approving Authority Title‡:</b> |
| <b>Approving Authority Signature:</b>                                                                                                                                                                                                                                                                               | <b>Date:</b>                       |

‡Approving authority must hold a minimum employment classification of department head, director or manager and have signature authority over the funds used.
