If you are representing a business, we want you to be aware of a deceptive solicitation sent to many companies implying they have to go through a private, third party vendor – and pay an exorbitant fee – in order to file official documents with our office.

These solicitations are asking for fees of up to \$495 to file various documents with our office – documents that, in most cases, have a filing fee of \$25 for Statements of Information at most and \$0 for termination documents.
