Falsification of timecards will result in discipline up to and including dismissal.

TIMECARDS DUE IN PAYROLL

LATE TIMECARDS WILL NOT BE PROCESSED UNTIL THE NEXT PAY CYCLE

Meal Period: A meal period of at least thirty (30) minutes must be taken after five (5) consecutive hours of work. This unpaid meal period must be reflected on the timecard. If the employee is scheduled to work only six (6) hours, the meal period can be waived by mutual consent. Unless notified, in writing, it is presumed the meal period has been waived by mutual consent for shifts of six hours or less.

Overtime: All time worked over eight (8) hours in one day and forty (40) hours in a workweek are considered overtime for non-exempt employees. All overtime must be authorized by the supervisor prior to overtime occurring. Hours in excess of 8 hours and up to 12 hours in one day will be paid at time and a half. The first 8 hours worked on the seventh consecutive workday in a workweek* will be paid at time and a half. Hours in excess of 12 hours in one day and in excess of 8 on the seventh consecutive day will be paid at double time.

In/Out Times: The TOTAL HOURS WORKED column should reflect total hours and minutes worked.

Breaks: A paid rest period of ten (10) minutes must be taken in each four (4) hour shift an employee works. These breaks are not reflected on the timecard.

Make up time: Employees may work up to three (3) hours per workday in excess of eight (8) hours per day without incurring overtime due to personal obligations as long as the total for the workweek (Saturday - Friday) does not exceed 40 hours. Hours in excess of forty (40) will be paid as overtime.
